Urgent Request for Approval of Housing Assistance

PCA Members:

The 2020 Phoenix Community Alliance Public Policy Agenda advocates for efforts to increase housing stability, and supports the work of PCA's [Social & Housing Advancement Committee](#). Due to the COVID-19 crisis, the already profound needs are more critical today than ever.

- **The Arizona State House of Representatives is considering a budget bill, scheduled for 10 am Monday morning that would provide \$50 million in funding for housing assistance, organizations that provide services to people experiencing homelessness, economic assistance to small businesses, food bank operations and more.**
- **Please email your Arizona State Representatives now and ask them to support Senate Bill 1690 in tomorrow's House vote. You can [send your email through this link](#) to the Arizona Housing Coalition's advocacy system.** The State Senate has approved the funding, so there is no need to contact your State Senator.
- If you wish to send additional messaging, here is the [link for identifying and contacting your state legislators](#).

Thank you for supporting this effort and all you are doing for the community during this challenging time.
